

TO BE SENT TO THE STUDENT IN ADVANCE OF INTERVIEW

Course Title	BA (Hons) Design
--------------	------------------

1.	<p>Course Details</p> <p>To be a student of TEC Partnership based at University Centre Grimsby studying the course BA (Hons) Design validated by University of Hull.</p> <p>The validation document which describes the programme is published on the TEC Partnership website https://grimsby.ac.uk/higher-education-course/ba-hons-design/ and is version number v1.8</p> <p>You will be required to complete sixteen 20 credit modules and a 40 credit Final Major Project Production.</p>
----	--

2.	<p>Student Activities</p> <p>Complete academic work individually with guidance to solve briefs creatively and establish a unique visual style;</p> <p>Work with different materials and techniques to produce creative physical solutions;</p> <p>Work with appropriate industry standard software to create digital solutions;</p> <p>Work in diverse groups of students towards assessed work or otherwise;</p> <p>Work with computers and associated information and communication technology to communicate with others and complete assignment work;</p> <p>Attend sessions normally between 09:00 and 17:00 hours for any of the 5 days per week as specified on your timetable.</p> <p>Be available to attend lectures and sessions and complete work throughout the TEC Partnership Term Dates specified on the TEC Partnership website;</p> <p>To attend lectures and sessions on the specified days and maintain attendance above TEC Partnership expectations of 90%;</p> <p>Have student finance or other means to pay for the course in place before enrolment;</p> <p>Take all reasonable steps to comply with the policies and procedures of TEC partnership.</p>
----	--

3.	<p>Following full engagement in the programme, and upon its successful completion, students will:</p>
----	---

1. Identify and employ an appropriate design process in the creation of products and/or design solutions, which address the demands of a particular creative context.
2. Define aesthetics, form and function within a design outcome, considering also the social, historical, ethical and economic contexts.
3. Demonstrate a comprehensive knowledge of media and materials, utilising creative expression which effectively solves design problems.
4. Demonstrate critical awareness through the analysis of literature and production of reasoned argument.
5. Display an experimental range of design processes, resulting in the production of prototypes and samples.
6. Demonstrate initiative in finding the best solutions, through a sustained approach to research, whilst adhering to safe and ethical working practices.
7. Employ the relevant professionalism required in project management, presentation and client negotiation from concept through to completion.
8. Negotiate the parameters of independent and collaborative study to fulfil the requirements and outcomes of a given design brief.

Qualities	Specific Requirements	Where demonstrated	E	D
Qualifications and Training	80 UCAS points in a related subject, with a minimum of grade 'C' in both GCSE Maths and English. Meet the non-standard entry requirements as specified in the programme specification	Application	X X	
Specialist Knowledge	Knowledge of Art and Design movements. Knowledge of designers working in their area of interest. Basic fundamentals of art and design.	Interview	X X	X
Experience	No industry experience is required			
Skills and Attributes	Ability to draw – evidenced in portfolio Ability to use design fundamentals to critique an example Experience in the use of numbers to analyse market research Ability to persevere when faced with challenging circumstances Manage own time to work towards producing creative solutions to meet multiple deadlines Ability to solve large and complex problems using project management and critical thinking skills Ability to work with others at a range of tasks even where there is personal disagreement	Interview	X X X X X X	X
Other	Commitment to 39 hours a week studying independently Availability throughout the academic year and potentially the resit period Knowledge about the use of Information Communication Technology to allow completion of an academic programme	Interview	X X	X

	Student finance applied for or appropriate payment plan in place			X
