

Applications for Provider Access

Introduction

We are committed to ensuring our learners have access to impartial CEIAG and as such we welcome providers, as per our duty under Section 42B of the Education Act 1997 (2nd January 2018) to provide learners at all stages and years with access to providers of post-14, post-16 and post-18 education and training, appropriate to their age band.

Learners must be allowed:

- to find out more about technical education qualifications and apprenticeship opportunities, as part of a careers programme which informs learners of the full range of education and training options available to them at each transition point.
- to hear from a range of local providers about the opportunities on offer, e.g. technical education and apprenticeships – this can be achieved through options evenings, assemblies, group discussions, and taster events.
- to understand how to apply to the full range of academic and technical courses available to them.

This document sets out the TEC Partnership's arrangements for managing the access of providers to its learners for the purpose of giving them information about the provider's education or training offer. This complies with the institution's legal obligations under Section 42B of the Education Act 1997.

Management of provider access requests

Procedure

Any provider wishing to request access should contact our Careers Team via careers@grimsby.ac.uk or call 01472 311222 and ask for the Careers Team

Opportunities for access

The TEC Partnership offers a comprehensive Careers Education, Information, Advice and Guidance programme and an overview of this programme can be seen on the TEC Partnership's respective campus web pages.

Please speak to our Careers Guidance Team to identify the most suitable opportunity for you.

The TEC Partnership will make a suitable space available for discussions between the provider and learners, as appropriate to the activity. The TEC Partnership will also make available ICT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Advisor or a member of their team. In some circumstances, virtual presentations may be needed in order to maintain safe social distancing.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers Guidance Team so that they can be displayed in the Careers Section of the Learning Resource Centre or Talent Dock.
