Nuns Corner, Grimsby, North East Lincolnshire, Dn34 5BQ

# The Graduate Salon

## About Our Salon

**Welcome to the Graduate Salon.**

**We are a training salon offering a wide range of hair and beauty treatments to external and internal clients – all performed by students under the close supervision of experienced, qualified tutors.**

**Our salon provides a professional learning environment for our students, helping them develop their practical skills and gain confidence while offering you a high standard of service.**

## Important Information

**Appointments:** Treatments are available by appointment only. Please arrive 10 minutes early to complete any necessary consultation forms.

**Supervision:** All services are carried out by students in training and may take longer than in a commercial salon. Your patience is greatly appreciated.

**Patch Testing:** For your safety, patch tests are required at least 48 hours before any colour, tinting, or lash/brow treatments.

**Cancellations & Changes:** Please give at least 24 hours' notice where possible if you need to cancel or reschedule your appointment. Due to the nature of our learning environment, we may occasionally need to cancel or postpone appointments at short notice. We apologise in advance for any inconvenience this may cause.

**Payments:** We accept card payments and gift vouchers only – no cash. Gift vouchers are available to purchase at reception and make a perfect present!

**Children & Young Clients:** As we are a training environment, we are unable to accommodate clients under 10 years old. Clients under 16 must be accompanied by a responsible adult throughout the appointment.

**Feedback:** Your feedback is valuable in supporting our students' learning and development. Please let us know how we did!

**By choosing our salon, you're helping the next generation of hair and beauty professionals build their skills and careers. Your support makes a real difference.**

**We look forward to welcoming you!**
