Facilities

From market-leading learning spaces to an on-site nursery, the University Centre Grimsby offers a whole host of facilities to support you with both your studies and lifestyle.

Why choose University Centre Grimsby?

Whether you're returning to education, exploring a new career, or have just left college, our higher education courses are designed with you in mind.

With flexible study options, expert tutors, and a local campus, University Centre Grimsby makes it easier than ever to take that next step and open the door to your future.

- Courses designed with flexibility in mind, to balance study with your responsibilities
- Local, accessible education in your area – no relocating or long distance commuting
- Whatever your career goals, our qualifications can help you on the path to new opportunities
- Support every step of the way – from study support to wellbeing, we want you to succeed
- Expert, experienced tutors, delivering high-quality teaching
- Market leading facilities and learning spaces.

Support

Embarking on a degree-level course is a big decision, and one that may require additional support.

Here at University Centre Grimsby, we're committed to making higher education accessible to everyone, no matter what their circumstances. As such we have a whole range of support services available to you throughout your time studying with us:

- Learning Resource Centre
- Success coaches
- Safeguarding
- Additional learning support
- Academic support
- Accommodation
- Careers advice

Financial Support

If you're aged 18 or over, there are a number of funding options that may be available to you to help with the cost of studying. These could include:

- Tuition Fee Loan
- Grants & bursaries
- Disabled Students Allowance
- Parents' Learning Allowance
- Advanced Learner Loans

To find out more about funding, fees and support, [scan the QR code](#) to find out more. Have any further questions? Get in touch, or come along to one of our open events and speak to the team to get all the information you need.

Our degree-level courses

Here at the University Centre Grimsby, we offer a wide range of degree-level courses, starting from Access to Higher Education diplomas all the way up to postgraduate qualifications.

Whatever your background or career goals, we're here for you.

- Access to HE
- HNC
- HND
- Foundation Degree
- Bachelor's Degree
- Master's Degree
- PGCE

Access to Higher Education Diploma

Level: Equivalent to Level 3 (A Level standard)

Duration: 1 year full-time or 2 years part-time

Access to Higher Education (HE) is a nationally recognised qualification designed to prepare those who are 19+ for university-level study.

It's an ideal foundation for those who may not have traditional qualifications like A Levels, but who may be ready to take the next step into higher education. You may be returning to education after a break, changing careers or just want to do something new - whatever your circumstances, the Access to HE Diploma provides a supportive and structured pathway into higher education.

Why choose Access to HE here?

- Flexible study options, with full and part time study
- Experienced tutors
- Excellent progression rates to degrees and beyond.

HOME GROWN HERO

MARK SMITH

Mark joined us on an Access to HE diploma. Moving on to a Bachelor's degree with us, Mark is now embarking on a career in counter terrorism.

Access to HE & BSc (Hons) Psychology

STORY

Access to HE pathways available in:

- Health science professions
- Humanities & social sciences
- Policing
- Science
- Social work

Higher National Certificate (HNC)

Level: 4

Duration: 1 year full-time or 2 years part-time

A Higher National Certificate, or HNC, is a qualification that merges academic learning with hands-on, industry relevant experience.

HNCs are ideal for those looking to gain practical skills in a specific industry – perfect as a first step into higher education. Whether you’ve recently finished college, seeking a vocational pathway into higher education, a 18+ individual looking to upskill or retrain, or seeking professional development in your current role, an HNC may be the right choice for you.

Why choose an HNC with us?

- Industry-focused curriculum
- Links with regional employers
- Flexible study options, with part time options to fit around you
- Clear progression routes post-study; from HNDs to degrees.

HNCs available in:

- Construction
- Engineering

Higher National Diploma (HND)

Level: 5

Duration: 1 year full-time as a top up from HNC

Higher National Diplomas (HND) are widely recognised by both employers and universities. They combine theory with hands-on learning, recognised by employers, and are a great stepping stone to a full bachelor's degree.

HNDs are qualifications which allow you to gain practical skills, build expert knowledge in a specific area, and are perfect for progressing HNC students, as well as anyone looking to upskill or retrain.

Why choose an HND with us?

- Excellent employer links in the region
- Industry-led teaching
- Flexible study options

HOME GROWN HERO

JOE ANDERSON

From not knowing what to do after school, Joe studied both an HNC and HND here with us, which has set the foundation for his career as an Electrical Engineer at BAE Systems.

Level 4 HNC, Level 5 HND
Electrical and Electronic Engineering

STORY**

HNDs available in:

- Engineering
- Creative Industries*

* Available at other TEC Partnership campuses

Foundation Degrees (FdA/FdSc/FdEd)

Level: 5

Duration: 2 years full-time or 3–4 years part-time

Combining work-based learning with academic study, a foundation degree is both a qualification in its own right, recognised by employers, as well as a stepping stone to a full honours degree.

Workplace-relevant skills gained from studying a foundation degree are perfect for those seeking employment upon completion, or can be carried over to further study to top up to a bachelor's degree.

A foundation degree is a flexible option for those who are looking to boost their career, retrain in a new area or a great foundation to progress to full honours degrees.

Why choose a foundation degree with us?

- Excellent option for those looking at work-based learning
- Flexible study options
- Clear progression options upon completion.

Foundation Degrees available in:

- Business & Tourism
- Creative Industries
- Digital & Computing
- Education
- Health & Social Care
- Childhood and Early Years

Bachelor's Degrees (BA/BSc Honours)

Level: 6

Duration: 3 years full-time or 4–6 years part-time

A bachelor's degree is the recognised university qualification in the UK - one that opens doors to a wide range of careers.

Helping you develop in-depth knowledge and skills in a subject, our bachelor's degrees prepare you for a graduate-level career or allow you to move on to postgraduate study.

Why choose a bachelor's degree with us?

- Study for a degree close to home
- Flexibility to study part-time
- Market-leading learning spaces
- High quality teaching.

Bachelor's Degrees available in:

- Business & Tourism
- Creative Industries
- Digital & Computing
- Health and Social Care
- Childhood and Early Years

Master's Degrees (MA)

Level: 7

Duration: 1 year full-time or 2 years part-time

You've completed your undergraduate degree, and want to specialise further in your chosen field, onto a master's degree.

A master's degree is a postgraduate qualification which is the next step for those wanting to specialise, pursue academic research or specialist careers. Perfect for recent graduates and professionals looking to advance their careers.

Why choose a master's degree with us?

- Expert teaching, with research opportunities
- Career-focused curriculum

**Master's Degrees
available in:**

● Education

Professional Graduate Certificate in Education & Certificate in Education (PGCE & CertEd)

Level: Level 5 (CertEd) & Level 6 (PGCE)

Duration: 1 year full-time or 2 years part-time

If you're a graduate and thinking about teaching, a Professional Graduate Certificate in Education (PGCE) or Certificate in Education (CertEd) could be your route to a teaching career.

Mixing classroom-based learning, along with hands-on teaching experience, studying a PGCE or CertEd with us will help you on the route to Qualified Teaching Learning and Skills (QTLS) status.

If you're looking at teaching in a 14+ setting, we can help you open the door to a successful teaching career.

Why study with us?

- Strong relationships with local schools
- Full and part-time study options
- Excellent employment outcomes.

Where you can study

University Centre Grimsby is part of the **TEC Partnership** – one of the biggest education and training providers in England. What does this mean for you? With sites across our region - Beverley, Bridlington and Scarborough as well as Grimsby, you get access to a wider range of degree-level courses, all close to home.
